

What is BOWL FOR KIDS' SAKE? Guess What? It's NOT about bowling!

It's about coming together with friends to support Big Brothers Big Sisters of Flathead County, and to have fun doing it! This is a fun filled time with your friends that includes food, prizes and the satisfaction of knowing you've helped match a child with a friend and mentor. All the money your team raises goes directly towards matching adult volunteers with kids, and supporting them in building successful friendships.
